

Increase Student Motivation! Raise Academic Achievement! Improve Wellness! Enjoy Teaching More!

The Kinesthetic Classroom 2.0!
Instructed by bestselling author and international speaker Mike Kuczala!

A Day of Professional Development!
Thursday, June 27th, 2019; 8:30 a.m. – 3:00 p.m.
Health Works, Tupelo, MS
219 Industrial Road

Cost: \$165
Includes: A copy of Mike's latest book *Ready, Set, Go! The Kinesthetic Classroom 2.0*, Lunch and .5 CEU credit from the Mississippi Dept of Education

“Giving students opportunities to be successful in the classroom is the goal of most teachers. Mike's "learning through movement message" and his creative way of presenting has given the teachers of Mississippi a resource to achieve that goal.”

Dale Dieckman, Mississippi Department of Education, Office of Healthy Schools

Mike has worked with teachers in more than 20 Mississippi School Districts through the Bower Foundation and the MDE and regularly presents at Mississippi State Conferences including School Boards and School Administrators!

Attend this Event and Learn:

- Why physical activity is critical to the teaching and learning process and **Academic Achievement!**
- The **brand new** 4-Part Framework for using movement in all classrooms and content areas!
- The brain/body connection and its role in **Academic Achievement!**
- About **new research** that supports the use of physical activity in the classroom!
- The critical link between aerobic activity, physical fitness and **Academic Achievement!**
- Dozens of **new** practical applications immediately usable in the classroom!
- The 6 brain principles that support using movement in every classroom!

About the Presenter

Mike Kuczala is a thought leader on using physical activity in teaching, training, and learning. He has delivered keynotes, given presentations and taught graduate courses on 4 continents. His presentations, courses, books and videos have reached more than 100,000 teachers, trainers, corporate executives, and parents. He is also the coauthor of the Corwin Bestseller, *The Kinesthetic Classroom: Teaching and Learning through Movement*, a book and philosophy that has changed the view of teaching and learning around the world. Mike's 2nd book, *Training in Motion: How to Use Movement to Create an Engaging and Effective Learning Environment*, was released in 2015 (AMACOM) and *Ready, Set, Go! The Kinesthetic Classroom 2.0* (Corwin) was released in the summer of 2017. President of Kuczala Consulting and Academic Director for the Regional Training Center, Mike's SRO presentations have been experienced in such diverse settings as The East Asia Regional Council of Schools, The Francis Marion University Center of Excellence to Prepare Teachers of Children of Poverty Summer Institute, The Forum for Innovative Leadership, ASCD, and the Society for Health and Physical Educators.
